

Tuesday, June 15, 2010

7:30 - 8:30 **Registration and Continental Breakfast**

Location: Plaza Hallway

8:30 - 10:00 **Continuing Education Program**

Medical Device Safety: FMEA and Root Cause Analysis

Location: Prince of Wales

Instructor: Barbara Majchrowski

Show Me the Evidence: Develop Your Capacity to Make Informed Health Decisions

Location: Oxford

Instructors: Ann Vosilla and Donna Champagne

10:00 - 10:30 **Refreshment Break**

10:30 - 12:00 **Medical Device Safety: FMEA and Root Cause Analysis**

(continued)

Show Me the Evidence: Develop Your Capacity to Make Informed Health Decisions

(continued)

12:00 - 13:30 **Lunch (Delegates on their own)**

13:30 - 15:00 **Convergence of IT and Medical Devices**

Location: Prince of Wales

Instructor: Barbara Majchrowski

Show Me the Evidence: Develop Your Capacity to Make Informed Health Decisions

(continued)

15:00 - 15:30 **Refreshment Break**

15:30 - 17:00 **Convergence of IT and Medical Devices**

(continued)

Show Me the Evidence: Develop Your Capacity to Make Informed Health Decisions

(continued)

Wednesday, June 16, 2010

7:30 - 8:30 **Registration and Continental Breakfast**

Location: Plaza Hallway

Medtronic Physio-Control Breakfast Presentation
Title TBC

Location: Georgia A & B

8:30 - 10:00 **Continuing Education Program**

Academic Program

Clinical Engineering Program

Medical Devices

Conference Opening and Welcoming Remarks

Location: Georgia A & B

Martin Forbes, Conference Chair

Keynote Address: Olympic Gold – Medical Services at the Games

Mike Wilkinson, Vancouver Organizing Committee for the 2010 Olympic and Paralympic Winter Games

10:00 - 10:30 **Refreshment Break**

10:30 - 12:00

A1 – Tissue and Cellular Engineering

Chair: TBC

Location: Georgia A

C1 – Panel Discussion on Clinical Engineering Certification in Canada

Chair: TBC

Location: Georgia B

M1 – Medical Devices: from Concept to Commercialization

Chair: TBC

Location: Balmoral

12:00 - 13:30 **Lunch in the Exhibit Hall / Poster Presentation in the Exhibit Hall**

Location: Plaza Ballroom

13:30 - 15:00 **Human Factors Assessment: Your Tool to Improve Patient Safety**

Location: Oxford

Instructor: Rachel White and Sonia Pinkney

A2 – Biomechanics I

Chair: TBC

Location: Georgia A

C2 – Medical Device Procurement

Chair: TBC

Location: Georgia B

M2 – Improving the Safety and Efficacy of Health Technology

Chair: TBC

Location: Balmoral

15:00 - 15:30 **Refreshment Break in the Exhibit Hall**

Location: Plaza Ballroom

15:30 - 17:00 **Human Factors Assessment: Your Tool to Improve Patient Safety**
(continued)

A3 – Physiological Systems

Chair: TBC

Location: Georgia A

C3 – Project Management and Leadership: Moving Beyond Consolidation

Chair: TBC

Location: Georgia B

M3 – Advances in Tourniquets for Military, Hospital and Pre-Hospital Applications

Chair: TBC

Location: Balmoral

17:00 - 19:00 **Opening Reception in the Exhibit Hall**

Location: Plaza Ballroom

7:30 - 8:30	<p>Registration and Continental Breakfast Presented by Conquest Imaging Location: Plaza Hallway</p>	<p>Conquest Imaging: Care and Handling of Ultrasound Probes Presenter: Paul Conrad Location: Georgia A & B</p>		
8:30 - 10:00	<p>Continuing Education Program</p> <p>New Equipment: You know what you want, now how do you get there? Location: Oxford Instructors: Dawn Welch and Timothy Zakutney</p> <p>Laser Fundamentals Location: Prince of Wales Instructor: Murray Dore</p>	<p>Academic Program</p> <p>Keynote Address: Imagine the Future – Medical Technology in 2034 Barbara Majchrowski , ECRI Institute Location: Georgia A & B</p>	<p>Clinical Engineering Program</p>	<p>Medical Devices</p>
10:00 - 10:30	<p>Refreshment Break in the Exhibit Hall</p>			
10:30 - 12:00	<p>New Equipment: You know what you want, now how do you get there? (continued)</p> <p>Laser Fundamentals (continued)</p>	<p>A4 – Neuroengineering Chair: TBC Location: Georgia A</p>	<p>C4 – Clinical Engineering Reviewed Papers Session 1 Chair: TBC Location: Georgia B</p>	<p>M4 – Development of Novel Assistive Technologies Chair: TBC Location: Balmoral</p>
12:00 - 13:30	<p>Lunch in the Exhibit Hall</p>			
13:30 - 15:00	<p>Understanding Medical Technology from a Physiologic Perspective Location: Oxford Instructors: Kristy Molnar and Kyle Eckhardt</p> <p>Laser Fundamentals (continued)</p>	<p>A5 – Biomechanics II Chair: TBC Location: Georgia A</p>	<p>C5 – (Part A) ISMP: Pharmaceutical Bar Coding Chair: TBC Location: Georgia B</p> <p>C5 – (Part B) Patient Monitoring: Yesterday and Tomorrow</p>	<p>M5 –Development and Evaluation of Electronic and Wireless Health Products Chair: TBC Location: Balmoral</p>
15:00 - 15:30	<p>Refreshment Break</p>			
15:30 - 17:00	<p>Understanding Medical Technology from a Physiologic Perspective (continued)</p> <p>Laser Fundamentals (continued)</p>	<p>A6 – Biomedical Imaging Chair: TBC Location: Georgia A</p>	<p>C6 – Clinical Engineering Reviewed Papers Session 2 – Computer Based Papers Chair: TBC Location: Georgia B</p>	
19:00 —>	<p>Reception and Banquet Location: Vancouver Aquarium</p>			

Friday, June 18, 2010

7:30 - 8:30	Registration and Continental Breakfast Location: Plaza Hallway	Laser Celebration (50th Anniversary of the Laser Invention) Presenter: Andrew Rawicz, Simon Fraser University Location: Georgia B	
8:30 - 10:00	Continuing Education Program Radiation Technology, Planning and Safety Location: Oxford Instructor: Dan Hanson Rechargeable Battery Management in Health Care Location: Prince of Wales Instructor: Derek McGowan	Academic Program A7 – Measurement and Detection I Chair: TBC Location: Georgia A	Clinical Engineering Program C7 – IEC 80001 Workshop Chair: John Leung Location: Georgia B
10:00 - 10:30	Refreshment Break in the Exhibit Hall		
10:30 - 12:00	Radiation Technology, Planning and Safety (continued) Rechargeable Battery Management in Health Care (continued)	A8 – Measurement and Detection II Chair: TBC Location: Georgia A	C8 – Wireless Networking Chair: TBC Location: Georgia B
12:00 - 13:30	Lunch		
12:00 - 13:30	CMBES Annual General Meeting Location: Georgia B		
13:30 - 15:00	Hospital Network and Information Systems Location: Oxford Instructor: Mike Beck	A9 – Biomedical Education in Canada Chair: TBC Location: Georgia A	C9 – Human Factors Engineering in Hospitals Chair: TBC Location: Georgia B
15:00 - 15:30	Refreshment Break		
15:30 - 17:00	Hospital Network and Information Systems (continued)	A 10 & C10 – Iconoclasts Chair: Bill Gentles Location: Georgia B
